VENTURE HUB AUTUMN 2022

Venture Hub training will provide you with Lean Startup methodology, coaching and network creation with potential team members and business advisors.

The training is targeted for students, new entrepreneurs and entrepreneurs who want to develop new business ideas, as well as anyone interested in agile development. **You can participate the training with or without a business idea.**

The participants have to reside or study in the South Savo area, Finland. Students of South-Eastern University of Applied Sciences (Xamk) will get study credits (2 ECTS) of their participation (selective entrepreneurship and innovation studies).

The training will be held from October 26th till November 23rd between 5-8 PM online (Zoom). **The language of the training is English.**

Schedule and Themes:

Oct 26th Startup Entrepreneurship

- Traditional Business vs. Startup Entrepreneurship
- Why do startups fail?
- Lean Startup

Nov 2nd Love Business, Not Your Business Idea

- From Developing Product to Developing Business
- The Importance of Early Customer Validation
