South-Eastern Finland
University of Applied Sciences

# Bachelor of Health Care, Nursing (Top up)

# Student selection in Rolling admission (August 2025 intake)

Note! To be considered in student selection for the programme, you are required to submit the application form on Studyinfo.fi service during the application period and meet the eligibility requirement for the Nursing (Top up) studies. The Rolling admission **opens 18 November 2024** at 8.00 UTC+2.

Students in the Rolling admission process are admitted in **the order of submitted, complete applications**. Make sure you have all the required documents in your application. Application closes when the study places reserved for this programme have been filled, or by 19 February 2025, 3 pm UTC +2 at the latest.

The student selection for this degree programme beginning in August 2025 is based on a pre- task. The pre-task is **a video interview**. Complete the pre-task before applying and upload the task to your application form.

**Upload your video to your application form on Studyinfo** (section "Pre-task")

- The maximum size for one file is 1 Gb. The upload for a file exceeding the maximum size will not be successful. Uploading the video file on Studyinfo may take some time. **Save the changes to the application form after the upload.** You must both upload the file and save the changes.

- You can access your application form via link included in the email you received from Studyinfo after submitting your application, or by logging into [My Studyinfo (Oma Opintopolku)](#).

## Video interview

You have to **personally appear** on the video answering the questions listed below. Speak clearly and to the point. You can make the video with the device of your choice (e.g. mobile phone, tablet, digital camera or computer).

The duration of the video is **max. 3 minutes**.

Points for the pre-task: maximum 50 points, lowest accepted score for admission 30 points

**Questions for the video interview**

1. Briefly introduce yourself and your educational background:
    - Which degrees have you completed?
    - How did you succeed in these studies?
    - How advanced are your IT skills?
2. Introduce your previous work history.
    - What is your professional aim (e.g. a dream job) for the future?
3. Why do you apply for the bachelor's degree programme in Nursing Top up?
    - How will studying at Xamk help you reach this aim?
    - What expectations do you have in relation to your studies?
4. What do you know about Finland and have your studied Finnish in advance?
5. What else would you like us to consider? Why should you be selected as a student to Xamk?
